

# Fall 2024 Research Academy Sessions with the ASU Institutional Review Board (IRB)

**Title:** Coffee Hour with ASU Institutional Review Board (IRB) Staff

**Description:** Researchers can attend optional office hours to have their IRB-related questions answered via Zoom. Can't make it to coffee hour? Researchers are encouraged to review our FAQ document posted here. This event is presented by the ASU IRB staff within the Office of Research Integrity and Assurance (ORIA).

**Date/Time:**

- Tuesday 8/27/24 11:00am – 12:00pm ([Link](#))
- Tuesday 10/29/24 11:00am – 12:00pm ([Link](#))

**Location:** Zoom

**Speakers:** ORIA Staff

**Title:** ASU IRB: Application and Submission Process ([Link](#))

**Description:** Do you want to submit your study to the ASU IRB, but not sure where to begin? Researchers can attend this workshop to learn about the application process, required materials, and how to submit in ERA. This event is presented by the ASU IRB staff within the Office of Research Integrity and Assurance (ORIA).

**Date/Time:** Tuesday 9/10/24 11:00am – 12:00pm

**Location:** Zoom

**Speakers:** ORIA Staff

**Title:** ASU IRB: External Collaborators, Reliance Agreement, and Local Contextual Review Process ([Link](#))

**Description:** Do you have an external collaborator apart of your study team? Is an external institution/university serving as the IRB of record? Are you unfamiliar with these topics all together? Researchers can attend this workshop to learn about appropriately adding external collaborators to their study team as well as appropriately deferring ASU IRB oversight to an external IRB. This event is presented by the ASU IRB staff within the Office of Research Integrity and Assurance (ORIA).

**Date/Time:** Tuesday 9/24/24 11:00am – 12:00pm

**Location:** Zoom

**Speakers:** ORIA Staff

**Title:** ASU IRB Deep Dive: Emerging Technologies in Human Subjects Research ([Link](#))

**Description:** Come join us as we deep dive into ethical and practical considerations for the use of emerging technologies in human subjects research. Emerging technologies include mobile apps, virtual reality, and human-robot interactions. This event is moderated by the ASU IRB staff within the Office of Research Integrity and Assurance (ORIA). Speakers are TBD.

**Date/Time:** Tuesday 10/15/24 11:00am – 12:00pm

**Location:** Zoom

**Speakers:** TBD

**Title:** An Introduction to Clinical Trials: Key Considerations for Investigators Planning to Conduct a Clinical Trial at ASU ([Link](#))

# Fall 2024 Research Academy Sessions with the ASU Institutional Review Board (IRB)

**Description:** Introduction to what research studies are classified as a clinical trial and how an investigator should make that determination. A discussion of additional IRB requirements in order to obtain IRB approval at ASU. Introduction to [clinicaltrials.gov](https://www.clinicaltrials.gov) registrations and investigator's responsibilities with respect to the registration. Q&A to conclude the session. This event is moderated by the ASU IRB staff within the Office of Research Integrity and Assurance (ORIA). Speakers are TBD.

**Date/Time:** Tuesday 11/5/24 11:00am – 12:00pm

**Location:** Zoom

**Speakers:** TBD
